

Business Buzzword Decoder — What People Really Mean

Title: Buzzword Decoder: Translate Business Jargon into Plain English

Description: A humorous and practical resource that demystifies the trendy lingo you see in pitches, emails, and meetings.

Content:

Tired of hearing business terms that sound smart but say nothing? Here's your no-nonsense decoder:

Buzzword	What It Actually Means
"We're agile"	We change our minds a lot
"Innovative solution"	We're not quite sure how it works yet
"Low-hanging fruit"	Obvious tasks we've ignored
"Scalable platform"	We hope it works when we grow
"Thought leadership"	We wrote a blog post
"Synergy"	We want to work together but haven't figured out why
"Ecosystem"	A bunch of tools we stitched together
"Runway"	How much money we have before we panic
"Leverage"	Use (but fancier)
"Bandwidth"	Time and energy
