

Consulting Engagement Toolkit

Your Blueprint for Working with Voxvita Consulting

◆ What's to Expect on Consult:

-  Project Readiness Checklist
 -  Engagement Timeline & Milestones
 -  Roles & Responsibilities Overview
 -  Client Success Commitment
 -  Post-Project Support Framework
-

Step-by-Step Engagement Flow:

1. Discovery & Alignment

Understand your business needs with our consultative scoping sessions.

 *Includes: Stakeholder interviews, systems review, and alignment workshop*

2. Roadmap & Proposal

We deliver a strategic project roadmap backed by realistic timelines and results.

 *Includes: Milestone calendar, effort estimations, and pricing transparency*

3. Delivery & Execution

Work begins with agile project management, ongoing client check-ins, and full transparency.

 *Includes: Weekly sprint updates and integrated collaboration*

4. Transition & Support

We help you stabilize, adopt, and expand what we've built — long after go-live.

 *Includes: Handoff documentation, internal training support, and optional retainer advisory*
